

MENNONITE BRETHERN CEMETERY

Jacob J. Entz filed on a 320 acre homestead in the W2 Sec 12, T35N, R19E. On Dec 8, 1916, Jacob J. and Helena Entz deeded four acres in the southwest corner of the west half of Sec 12, T35N, R19E for a church. Jacob J. Entz was a pastor of the Mennonite Brethren Church. Jacob passed away June 8, 1918. so his patent was issued May 17, 1919 to Helena Entz, his wife. Helena Entz deeded the W2 Sec 12, T35N, R19E, except for the four acres for the church in the southwest corner of the W2, to William Brusewitz on Oct 18, 1918.

The Mennonite Brethren Cemetery has always been fenced. Wood was used to mark many of the graves as well as small metal markers or small metal markers with glass on the top. The S Bar B now owns the land and has continued the tradition of maintaining the barbed wire fence. No one knows who is buried in a specific grave. In July 1930, Sam Unruh wrote a letter to Zionsbote newspaper appealing to people to help him. At one time, a plan of all the graves and the people buried there was made, but someone took it with them when moving from the community. Mr. Unruh was appealing to people who moved away to recover the plan so it could be recorded in the Blaine County Court House. In another letter he writes that there are about 21 people buried there.

This cemetery is located 14 miles north on the Bagan Road and then 2 miles east.
